Mr. Lawrence R. Houston

26 February 1953

Assistant Director, Current Intelligence

Possible Subversive Activity in Liberia

1. The attached material is transmitted on the basis of previously expressed interest in the possibility of Communism in Liberia.

25X1A 2. The despatch from the American Embassy in Liberia regarding the activities of [REDACTED] 25X1A [REDACTED] suggests that there may be some subversive activity in that country. Also attached is a cable from Leopoldville, Belgian Congo, giving additional information about the direction of [REDACTED] 25X1A interests.
